

Could you be a LotE Legend?

Life on the Edge (LotE) is working with partners and communities across South Devon to conserve our rare amazing invertebrates. We need your help in Brixham.

We'd love to hear how many of these wildlife-friendly actions you've taken. If you've planted some wildflowers, created a bug house and completed five other actions, please send us photos to lote@southdevon-nl.org.uk, and we'll send you a 'LotE Legends' plaque to say thank you.
